Welcome back to yet another busy week here on the mountain. I hope everyone has coped well with all the wet weather over the last few days. This week we will all be going on an excursion to Kulnura PS for an Environment Day which should be exciting.

There are a number of things that I need your help with here at the school to ensure that we are catering for the students’ needs in the best possible way.

The first thing we need is all medical notes returned to school as soon as possible. This way we have up to date information about any medical conditions your child might have. If your child is on medication of any sort we need a doctors letter with dosage amounts and times otherwise we cannot administer them. If your child is an asthmatic and requires a Ventolin puffer we require an up to date asthma plan.

Secondly, we need all general permission notes returned to the office so that we have all the information and permissions we need to conduct daily school business. Please be aware that all general permission notes are treated with strict confidentiality and any information you can give us is greatly appreciated.

If your child catches the bus either in the morning or afternoon, can I ask that you have a frank discussion with them about safe bus travel. Since the beginning of term there have been a number of incidents on the bus where the driver has had to stop and talk to students. I have had a number of discussions with the bus company and some students are close to having their bus passes confiscated if behaviours don’t change. Your help with this would be greatly appreciated.

Kind regards
Shane Randall
