I am pleased to announce that the DEC Asset Management Unit are very close to making a decision about our play equipment upgrades that I applied for earlier in the year. They are looking at jointly funding the installation of rubber softfall to replace the existing sand in both play areas.

Our fundraising committee have been working hard to put together great ideas for this year and have come up with a great idea for later in Term 2. The P&C will be hosting a “Vegas Night” and all information is attached to this newsletter. It would be fantastic to see all of our parents at this event so hurry in for tickets as they will sell fast. It is shaping up to be an amazing “child free” event and leaves you all plenty of time to organise babysitters. Hurry in to the office for your tickets!!!

I hope you all have a great time over the holidays and we look forward to seeing you all back on Tuesday 29th April ready for Term 2. Mrs Blair will be having a University Prac Student in her room for the first 4 weeks of next term and I would like you to all join with me in making Miss Kerryn Hawker feel welcome to our lovely school.

See you all next term!!

Kind regards
Shane Randall
Relieving Principal

If children are happy socially they tend to be more engaged in their learning. Teaching your child about the importance of making friends is as vital as learning their ABCs.
